VINEYARDS

Appellation	Russian River Valley
Site	Ritchie Vineyard is widely spaced—as was the fashion for vineyards planted in the early 70’s. These old vines with their gnarly trunks produce tiny quantities of grapes per vine.
Soil	The benchland soil is pure sandy Goldridge Loam, originating from the bed of an inland sea. This soil type is common to great vineyards in this part of the Russian River Valley.
Clonal Selection	Old Wente selection
Planted	Our block of Kent Ritchie’s vineyard was planted in 1972.

VINTAGE
